RE: Grant ID #8030

Dear Ms. Conturo,

I am pleased to inform you that the Trustees of the Richard King Mellon Foundation reviewed your proposal submitted on May 18, 2015 and approved a conditional grant of \$1,000,000 to Sports and Exhibition Authority to create a public greenspace connecting downtown Pittsburgh and the Lower Hill District. Payment of this grant is conditioned upon the Sports and Exhibition Authority securing federal TIGER funding required to complete the project.

Should you wish to make a public announcement of this grant, we request the opportunity to review the statement prior to its release and would also appreciate receiving final copies of all such announcements.

A check in the amount of \$1,000,000 representing payment in full of this grant will be mailed when the above condition has been met and satisfactory evidence has been submitted to and approved by the foundation staff.

Sincerely yours,

Scott D. Izzo
Director
