RE: I-579 "Cap" Urban Connector
Parcels 2-B-257, 2-B-104, 2-B-107

Dear Ms. Conturo,

The Urban Redevelopment Authority of Pittsburgh ("URA"), is owner of the following parcels of land: 2-B-257, 2-B-104 and 2-B-107. The purpose of this letter is to confirm that the URA, subject to appropriate Board and other authorizations required under the Pennsylvania Urban Redevelopment Law, will transfer these parcels to the Sports & Exhibition Authority, at no cost. The transfer will occur prior to the start of construction of the Cap Project.

This letter is being provided by the URA, a project partner, in support of the TIGER FY2016 Discretionary Grant application for the I-579 "Cap" Urban Connector Project.

Sincerely,

Robert Rubinstein
Acting Executive Director
