**RE: FY2016 TIGER Discretionary Grant
I-579 “Cap” Urban Connector Project**

Dear Secretary Foxx,

I am pleased to write this letter in support of the FY2016 TIGER Discretionary Grant (“FY2016 TIGER”) application for the I-579 “Cap” Urban Connector Project submitted by the Sports & Exhibition Authority (SEA) of Pittsburgh and Allegheny County.

The “Cap” project will be transformative for the economically disadvantaged Hill District community. The project strongly aligns with US DOT’s priorities, and will help reconnect people from an underserved Hill District neighborhood to centers of employment, education and critical services in downtown Pittsburgh.

The “Cap” project will provide for safe and accessible walking and bicycle pathways, sustainable strategies such as stormwater management, as well as landscaping and other surface improvements that will create an inviting public urban connector of approximately 3 acres.

We are in full support of the I-579 “Cap” project and respectfully requests your favorable consideration of the FY 2016 TIGER Discretionary Grant application.

Sincerely,

Quintin B. Bullock
President
